FYI...

Brown School is scheduled to offer Full Day Kindergarten in 2013. This will affect all kindergarten child care services in Toronto, including Unicorn Day Care. This will impact all Unicorn Programs from Preschool to School Age. Many questions still remain ... how will this affect my child's before school care? What happens with the Hot Lunch Program? Will there be after school care? Who will provide a program for PD days, winter break, March Break?

In the coming months Unicorn's Management and Board will be working to determine what is the best route to take to meet the needs of Brown School/ Unicorn and its community in partnership with the Principal, and the TDSB.

Your support and questions are always welcome.
