

ABOUT OUR SUMMER PROGRAMS:

The Preschool Program is geared for children who are 2 1/2 to children currently in JK, or aged 4.

Our RECEs plan the preschool program to consist mainly of hands-on learning through fun themes and visitors, and local walks, including the library, the fire hall, and local parks. Cooking, music, drama, and amazing themes will captivate your child's interests.

A calendar of daily events will be available when you register your child.

The Intermediate Program is geared for children who are currently in SK and Grade 1, or 5 to 7 years of age.

This program offers a swim program at Brown School every week. As well, RECEs plan a theme-based program allows children hands-on experiences through visitors and interaction with community and nearby amenities.

Children in this program have enjoyed the freedom to chose daily activities as well as participate in pre-planned activities. On occasion they interact with the Senior Program.

A calendar of daily events will be available when you register your child.

The Senior Program is geared to children currently in Grades 2 to 6, or 8 to 12 years of age.

This program has a weekly theme. Our RECEs strive to include trips that are geared to the interests of the group. Visitors with specialized skills are often included to enhance the week's theme.

The children participate in a swim program at Brown School every week.

A calendar of daily events will be available when you register your child.

Unicorn Day Care is a non-profit day care centre that operates a 10-month program during the school year and a summer program for the **first 8 weeks** of the summer, for children ages 2 ½ to 12.

Please make payments in full to Unicorn Day Care for each week your child will attend. This will guarantee your child's week.

Unicorn has a Purchase of Service Agreement with the City of Toronto. If your child is subsidized, please feel free to let us know.

Upon acceptance of your application, you will be contacted by the Director and given a registration package.
